Earn GISP Credit for Attending

My name is Ross Baldwin, and I am the new chairperson of the Long Island GIS User Group (LIGIS). I am very excited to take on this new challenge and hope you all consider becoming more active in LIGIS as well as the NYS GIS Association, our new affiliates.
I am currently the GIS Manager at the Town of Southampton, and have been with local government for 12 years now. I hope you are all as excited as I am about the future of GIS here on Long Island! I can be contacted at chairman@ligis.org with any comments or recommendations.
