Professional Development Committee

Invest an hour and contribute to a key function of the NYS GIS Association. If you have one hour a week to work on learning opportunities for your colleagues join the Professional Development Committee. Here are the details:

About Us: The mission of the Professional Development Committee is to provide training to the members of the NYS GIS Association at all levels of expertise in an effort to further their knowledge, understanding, and appreciation of the many geospatial technologies and solutions that are available.

Skills: Ideal candidates will be self-motivated, reliable, detail-oriented, and will follow-through with committee plans. Leverage your network, expertise, and insight for webinar presenters and content.

Duties: Brainstorm professional development opportunities, contact and liaise with presenters, coordinate webinars, introduce and host webinars, post recorded webinars to the NYS GIS Association [YouTube](#) channel and communicate with the Communications Committee to have them posted to the NYS GIS Association website. The more committee members there are, the more these duties can be shared.

Time Commitment: 1 hour +/- per week Other Requirements: Membership in the NYS GIS Association must be current. Check to see if you have renewed [here](#).

Volunteering with NYS GIS Association earns you points for [GISP](#) certification/recertification and a feeling of satisfaction knowing that

If you are interested in joining this committee or would like more information about this volunteer opportunity, please use the [contact us form](#). You can learn more about the committee by visiting our [page](#).
