2021 Annual Meeting Minutes Available for Review

The draft of the minutes from the NYS GIS Association's Annual Meeting is now available for review.

Take a moment to review them at:

<https://www.nysgis.net/activities/conferences/nys-gis-association-2021-annual-meeting/>

The draft is available for review until Monday, November 15th.

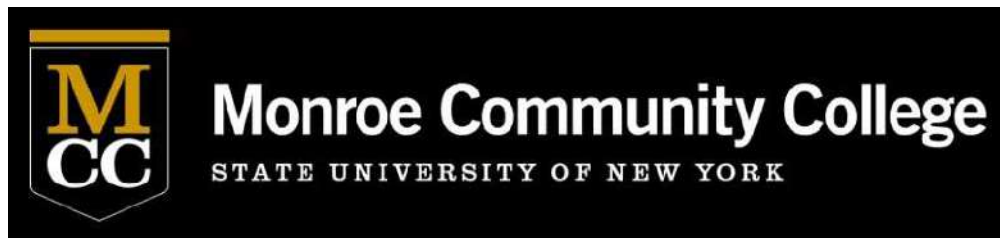

MCC Adds AAS Degree in GIST

Monroe Community College in Rochester, NY now has an [Associate's Degree in Applied Sciences \(A.A.S.\) in GIST](#).

For those who already have some experience in GIST, MCC also has a [9-credit-hour micro-credential](#).

MCC is also offering a [Web Mapping](#) course starting January 2022 – fully online!

AGO Competition for Middle & High School Students

Do you know a middle or high school student who has access to ArcGIS Online and might be interested in using it to illustrate a NYS-related project? Esri's [2022 ArcGIS Online Competition for US High School and Middle School Students](#) is now open!

It is anticipated that teachers will need to submit their school's 5 best projects to the NYS committee in **early Spring 2022**. A website with more details for NYS schools, including a deadline will be posted soon. In the meantime, contact **Dr. Rebecca Boger** (Brooklyn College) at beckyboger@gmail.com or **Dr. Mike Jabot** (SUNY Fredonia) at jabot@fredonia.edu.

The [July Newsletter](#) highlighted the students from NYS who achieved national recognition for their story maps in the 2021 competition.
