

NYSGISA Education Committee Meeting Agenda
Jan 26, 2021

1. Review Oct & Dec 2020 Minutes
2. Thanks to Chris for helping out at STJ/SENCER Narratives in Science Virtual Conference. Joseph Kerski gave a great talk. We should invite him for some event or other.
3. NYGeoCon 2021 planning – Is there something we as a committee should be doing?
4. We had some good ideas last time. Is there something this committee want to work on for the conference?
5. Where are we on the projects we were discussing?
 - We have that Education page, I don't think we've put anything there. We need to.
 - Was Jessica able to get any interviews. Paula has not gotten her part done.
 - Where are we with Eileen's Ask and Expert idea?
 - Still need to find out the association has internships
 - Encourage students to join (but we should write up WHY)
 - Where are we on our Tips page?
6. Other Business
