Webinar Speakers Sought

Share your knowledge and earn GIS points!

The Professional Development Committee is seeking webinar presenters. If you have an idea for a webinar, the Committee will take care of the logistics.

The Committee encourages **students** who want to share their GIS research and/or projects to present. This is a great opportunity for students to gain presentation experience and enhance their resumes.

Professional Development Committee

Meet Dawn McCall, Member of the Board of Directors

Dawn F. McCall, GISP was elected to the Board of Directors in September of 2021. She has been a Geographic Information Systems Professional for over 25 years.

Dawn is currently the Director of GIS Services at Control Point Associates, Inc and supports GIS needs throughout the entire corporate footprint from Maine to Virginia. She has extensive knowledge of GIS and Land Records with experience in project management, database management, and systems integration. She has over 13 years dedicated to facilities and land-related issues relating to GIS integration.

In addition to the NYS GIS Association, Dawn is actively involved in many other GIS and Surveying professional organizations including the Mid-Atlantic Chapter of the Urban and Regional Information Systems Association (MAC URISA), the Urban and Regional Information Systems Association (URISA), and the New Jersey Society of Professional Land Surveyors (NJSPLS). Prior to joining the NYS GIS Association board, Dawn spent 20 years on the board of MAC URISA holding many positions from Trustee to President.

Welcome aboard, Dawn!
